我們藉着洗禮歸入死，和他一同埋葬，原是叫我們一舉一動有新生的樣式，像基督藉着父的榮耀從死裡復活一樣。

羅馬書六章四節

We were therefore buried with him through baptism into death in order that, just as Christ was raised from the dead through the glory of the Father, we too may live a new life.

太一 22-23

這一切的事成就是要應驗主藉先知所說的話，說：「必有童女懷孕生子；人要稱他的名為以馬內利。」以馬內利翻出來就是「神與我們同在」。

Deanna Tsang

Good Morning everybody, my name is Deanna. I grew up in Christian home, I remember I have been going to church for as long as I remember. I moved to Beijing, China for grades 1-8, where freedom of religion was very restricted China and my family went to a church where only foreigners were allowed. This church was so large that each service had thousands in attendance every Sunday. With Cantonese, Mandarin, and English congregations. Because it was so big I never had a chance to get to know the Lord on a personal level; I was just going to church because my family did. As far as I was concerned Beijing was my home, I had no Christian friends, I had no Christian community and it didn't bother me at all, that life was all I knew. In grade 8 there was a series of events that happened in my life I could never have imagined. I had was hospitalized for having trouble breathing, both a very good friend of mine and my best friend's mother passed away, and my parents decided move across the world to Toronto away from everyone and everything I knew. At this time I had hit a low. I was lost, angry and very frustrated. I was mad at God. All my life I had been told God is a merciful Lord, he loves every last person, and he's always there for you. So I kept asking him why. I kept asking myself, if there really was a God how could he let things like this happen? How could he allow this? With this this toxic attitude, I moved to Canada and began high school in an alien country as far away from God as I ever was.

Testimonies

It was purely by God's grace that one day in grade 10 I decided to check out my sisters Tumblr website, (an online blogging platform) and saw her posting bible verses and about how God had been working in her life. It resonated with me because I had never witnessed someone 'from my generation' walking with Christ, as I never had a chance to have a Christian community or see people who lived with God in their lives. From that time I felt a pull to Christ. I thought, maybe it's possible to know my sisters God, maybe there's more to Christ than I know. So I tried to listen to his word in Sunday school, during sermons, and I tried to find my way through him. But I wasn't fully walking in his path. Stumbling between wanting a relationship with God and wanting to live life on my own terms. Last year, STM came around and God placed a heavy burden in my heart to go. I was hesitant because I didn't think I was 'Christian enough' or good enough in any sense, but God spoke to me and said: "I gave you life, so it's your turn to give your life to me." In hearing that, I decided to follow Christ not just as a Sunday routine but as a new life in him. I accepted that I'm imperfect. He died for all of us out of love, and saved us all. Looking back now I truly am blessed with God's plans. I saw everything he had planned in my life was to bring me to him and the way he has worked in my life that's given me a new understanding, patience, and peace that I find in the Lord knowing he is the one above everything.

Shernei Wang

Good Morning everybody, my name is Shernei Wang. After I was born, my mother brought my sister and I to church in Canada, but around a year later, we had to move to Malaysia. Since my mother was foreign to the country and had no friends at the time, we stopped going to church. My father's family worshiped Buddhism and that was what I grew up worshipping as well. It wasn't until 2005 when my father was diagnosed with stroke, and a Christian couple had visited my family. They shared their testimonies with us and invited us to church that Saturday, and since then, we continued attending church. During that time, my father's situation was becoming worse. He was a stubborn man, and for a while, he didn't want to open up his heart to accepting Christ as his Lord and savior. Everyone at church prayed for him, and slowly, his illness started to fade. Eventually, he accepted Jesus and was baptized with my mother. Through many years of prayers, I was able to witness God's healing through my father, and because of this miracle, I was able to see that God is real. Not so long after moving back to Canada in 2007, a friend from school invited my family and I to NCAC where I met a lot of amazing people that experienced through the tough and happy moments in my life.

Throughout my walk with God, I have stumbled many times and doubted His work. Many unfortunate events has happened in my life, which led me to question God many times. I have fell away from God previously and had based my achievements in life solely upon my own hard work. However, every time I distanced myself with God, He always pulled me back. Whenever I became

Testimonies

depressed, I noticed that I never felt completely alone. There was always a constant reminder in my head telling me to trust God and to place my burdens in His hands, and He will do the rest.

God has placed many influential people in my life so that He can perform His work through them, in order to shape me into the person He wants me to be. I believe everything that has happened in my life so far is all planned out by God and that nothing was coincidental. God sent me to earth to witness the miracles that he has performed in my life so that I can share his doings in my testimony today. There is a scripture in the bible that helped me make this important step in my walk with God. It's about John the Baptist who preached about the Gospel to people of Judea and asked them to repent and whoever believes in the Gospel can be baptized. It says, "People went out to him from Jerusalem and all Judea and the whole region of the Jordan. Confessing their sins, they were baptized by him in the Jordan River." (Matthew 3:4-6). Just like that, people who believed in Jesus were baptized. I remember my Sunday school teacher, Sam Yeung, asking us thought provoking questions about baptism one day. He taught us that it is actually not our personal readiness that decides whether we are ready to get baptized, but it is God's decisions. I realize that God has planned out my entire life on earth, and one of them includes getting baptized. Looking back, I remember the comfort that God has given to me during my lowest and joy at my highest, and has blessed me with everything I need in my life. Without Him, I will never be satisfied, as my life will never be complete. Thank you, and God bless.

William Qiu

I was not born into a Christian family but I remember times when I was young that I would attend my neighborhood church. I was too young at that time to know who Jesus Christ was and what it meant to be a Christian. I didn't have much say on what I wanted to do but I remember that my brother stopped going because his friends stopped going, which in turn made me stop going too. Up until the summer of grade 6, Raymond Kwong, who I met at Kumon, told me to come to his church which was New Covenant Alliance Church. I wanted to be nice and didn't want to turn the offer down, so I decided to go. I remember meeting my first few friends that day. I don't remember if I got along with them, but I must have because I came back the following weeks. But one thing still remained the same, I didn't understand who Jesus Christ was and what Christianity was all about. I was always shy when it came to bible studies and story time. I never had interest to listen nor participate. It all seemed like fun and games to me. Recently in the summer during our softball season, I really started to think about my walk with God after hearing the many stories and testimonies of other players and how they accepted Jesus as their Savior who died on the cross for their sins. I remembered that I would have had some problems during some of the weeks of summer and I would pray for guidance and help. I would go to service the following week, and the message perfectly addresses to my problem and I was just astonished. At first I thought it was just a coincidence that I was able to relate to it so well. I would continually pray for myself and I would come back the next week hearing a message that felt like God was speaking to me. There were recurring moments where I noticed God was present in my life which really stuck out and caught my attention. After spending more time with God and learning what it means to be a Christian, I am now able to say that I accept Jesus Christ as my Lord and Savior who died on the cross for me to save me from sin. Knowing how I am saved by the love of God is truly a blessing that will definitely influence my actions for the rest of my life.

陳張雪芬姊妹

信主前的我為了生活奔波勞碌，沒有時間去認識真神。對於兒女信耶穌返教會，我從沒有反對。在 1990 年，我移民來到加拿大。由於兒子 Dennis 的邀請，我開始參加基約宣道會的聚會，但對於信仰沒有認真思想。其後因為種種原因，例如到頤康中心做義工、在朋友

的店舖做兼職及參與粵曲歌唱等社交活動，慢慢減少參加教會的活動。2015 年 7 月，黃李月嬋姊妹邀請我出席王祖藍見證佈道會。當聽完佈道信息後，內心感到真正的平安和喜樂，因為相信耶穌基督為我的罪被釘死在十字架上，並且從死裡復活。我願意接受主耶穌為我的救主。在佈道會完後回家的路上，我對黃太說：『我有一個請求，若果可能的話，請你每個主日都來接我返教會敬拜神。』信主之後，我開始投入教會生活，弟兄姊妹對我很好，讓我很快便融入教會的大家庭。我有參加團契，主日學及主日崇拜敬拜神。我有一個盼望，就是立志跟從主耶穌，永遠成為神的兒女。

周意興姊妹

在未信主之前，我是一個沒有安全感的人，常常為明天擔憂。每天除了工作還是工作。自問還算是個好人，怎麼在上帝的眼中就成了罪人？不接受耶穌基督。後來無意間得罪了小人，從此過着黑暗，痛苦和詛咒的日子。每天苦苦的掙扎，為了能擺脫苦境，拜偶像，請神婆作法事，但是都不能幫我。就在我人生最無助的時候，主耶穌拯救了我。在妹妹的請求下，跟隨黃太來到基約宣道會，認識了翟林展麗傳道，明白了真理，知道耶和華神才是唯一的真神，他造天地萬物，滿有能力。為了拯救我們這班罪人，差派獨生子耶穌基督來到這世界，釘身十字架，流寶血，第三日復活。正如使徒行傳第四章 12 節所講，除他以外，別無拯救。因為在天下人間，沒有賜下別的名，我們可以靠着得救。在翟林展麗傳道的帶領下，決志信主。感謝讚美主，拯救了我的靈魂，賜我自由，平安。讓我和我的家人都蒙福。現在的我憑信心，凡事交托給神。

Yee Hing Chow

Before I accepted Christ as my savior, I had very little confidence and I was always worried about my future and what tomorrow might be like. My life was pretty mundane, I would go to work, eat and sleep and repeat the same thing day after day. I consider myself an upright person, a person of good character; hence, I find it difficult to accept the fact that I am a sinner in God's eyes; I refused to receive Jesus as my God.

Inadvertently I might have done things that upset someone who had cast a demonic curse on me. From then on, I felt tortured and cursed on a daily basis with feelings of sadness and struggle of daily life chained me down in sorrow. To relieve myself from this curse, I turned to a medium and sought out a spiritualist for help. They all failed to lift me out of this demonic cast.

My life had come to a dead end; it was my sister who urged me to come to NCAC with Mrs. Wong. It was there I met with Pastor Ginny, who shared the word of God and that He is the way, the truth and the light. He created the universe, He is the Almighty God. In order to save us from our sins, He sent His only beloved son who bore our sins as his body lay on the cross, so that we might die to sins and live for righteousness. God raised Him up on the 3rd day. In Acts 4:12, "Salvation is found in no one else for there is no other name under heaven given to mankind by which we must be saved"

Through Pastor Ginny's preaching and teaching, I decided to accept Jesus as my personal savior. Praise the Lord in saving my soul, freeing and granting me the inner peace. I am so thankful for His blessings to me and my family. Now I commit everything I do to the Lord, trust Him with my needs and future. Thank you!

Two ways we would love for YOU to join us:	1. Commit to a Small Group.
	A small group is not just another thing to do each week, nor is it a social gathering. Rather, it is a community of people who are committed to Jesus and to being vulnerable with each other. It is a band of people desiring to grow in their faith, learning to love the Word and wanting to share their faith with others. If this sounds like something you are interested in, we have three small groups: downtown, midtown and uptown.
	2. Join us for lunch.
	Food was an important part of community building in the Bible. People gathered together and celebrated and feasted. Community is important to us. Therefore we love food! Each small group will meet over coffee and snacks, and maybe even go out for lunch after Sunday Service. Join us as we enjoy food and each other.
