**COVID-19 is still not over:** As some of you may have already noticed, further government guidelines for re-opening places of worship in Ontario have been released and are more restrictive than expected. While this is challenging, our C&MA District urges local churches to be patient and to trust God's timing in all of this and to honour our government and health officials for their hard work. NCAC is preparing church facility and work on renovation to ensure health safety. Board and ministry leaders have started discussion to draft a workable plan. All the ministries will continue to be online. Thank you for your prayers and support.

Some things that stood out to me

Some questions that I'm left asking

**Beirut needs help:** On 8/04, a big explosion shook through the city of Beirut, Lebanon. The impact took over 200 lives, injured over 5000 people, damaged thousands of buildings, left over 300,000 people homeless and the bustling city to try to rebuild by itself. C&MA Canada calling Alliance churches to help. We will be working with our partners and local church to offer aid and support to the people in Beirut as they work towards overcoming this devastation. Donation can be made by bank auto transfer to NCAC at [donate@ncac.ca](mailto:donate@ncac.ca) specifying Love fund or by visit [www.cmacan.org](http://www.cmacan.org) and specify Global Emergency Response Fund (GERF). Please pray for the people in Beirut.

**NCAC COVID19 Community Support team:** As you know, brothers and sisters at NCAC have supported the community through this pandemic through monetary donations, disposable and homemade mask donations, non-perishable food donations, and volunteering to deliver hot meals to seniors. Support to the community was provided as needs were made known to the Community Support Committee. We have adopted three organizations: Carefirst Seniors and Community Services, Saint Elizabeth Health Care, and Youth Unlimited Toronto. We continue to seek help

- Monetary and non-perishable food donation to Carefirst
- Volunteers to deliver hot meals to seniors through Carefirst
- Volunteers to make homemade masks If you would like to help with the Carefirst initiatives, please contact Ben Lee ([itsbenslee@gmail.com](mailto:itsbenslee@gmail.com)), David Tong ([davidtong2000@gmail.com](mailto:davidtong2000@gmail.com)), or Michael Huynh ([huynhmic@yahoo.com](mailto:huynhmic@yahoo.com)).

If you would like to volunteer to make homemade masks or donate materials (such as 100% cotton new bed sheets), please contact Roberta Lau ([lau.roberta@gmail.com](mailto:lau.roberta@gmail.com)).

Homemade masks have been requested by Saint Elizabeth Health Care and Carefirst Seniors and Community Services to support the health and community services they provide. In total, they provide services to about 17,000 clients and have asked the community to donate homemade masks to help with their work.
